

# Post-departure expense route

Issued 2026-10-14 | Alex Morgan | Document s05-policy

## Who this applies to

Alex Morgan has a final working day of October 16, 2026. Expenses must have been incurred for approved company business before that date.

## Alternative route

If the company expense portal is unavailable, submit the expense summary and receipt to [expenses@northstar.example](mailto:expenses@northstar.example) and request manager review. For this fictional case, the confirmed submission deadline is October 30, 2026 at 5:00 p.m. Pacific.

## Required evidence

Include business purpose, purchase date, merchant, amount and itemized receipt. A card authorization alone is not an itemized receipt. Do not email bank account details.

## Status rules

Receipt of a claim means submitted, not approved. An approval email is not payment evidence. A payroll payment record is required to mark paid.
