

# New-hire health enrollment

Issued 2026-10-08 | Alex Morgan | Document s06-orbit

## Coverage rule

For an eligible employee who elects coverage, coverage begins on the first day of the month after the start date.

## Alex schedule

Alex Morgan starts October 19, 2026. The projected coverage start is November 1, 2026. The election deadline is November 17, 2026: 30 calendar days counting October 19 as day one.

## Not an enrollment receipt

This guide does not establish that a plan was selected or activated. Ask HR to confirm eligibility and the effective date. The employee must review costs, networks and dependents before choosing.
