

Offer schedule - version 1

Issued 2026-10-02 | Alex Morgan | Document s01-offer-v1

Employee and role

Alex Morgan | Product Strategy Manager | Orbit Labs. This is a fictional offer schedule, not an employment contract.

Original schedule

Your first working day is October 19, 2026. Complete the onboarding profile by that date. This version was acknowledged on October 2, 2026.

Benefits timing

For an eligible employee who elects coverage, health coverage begins on the first day of the month after the start date. The election window is 30 calendar days, counting the start date as day one. Individual enrollment remains unconfirmed.

Version handling

Retain this version when a replacement arrives. A date-change email does not prove that replacement paperwork has been acknowledged.
