

# Revised offer schedule - version 2

Issued 2026-10-09 | Alex Morgan | Document s01-offer-v2

## Revision notice

This fictional schedule supersedes version 1 for employment dates only. Employee: Alex Morgan. Role: Product Strategy Manager.

## Revised schedule

Your first working day is November 2, 2026. Your onboarding profile is due November 2, 2026. Your last day at Northstar Studio remains October 16, 2026.

## Benefits impact

For an eligible employee who elects coverage, the projected health coverage start is December 1, 2026. The election deadline is December 1, 2026, counting November 2 as day one. This is not confirmation of enrollment.

## Acknowledgment

Please acknowledge this revised schedule in the fictional secure portal. HR will separately confirm receipt. No signature or authentication token is embedded in this document.
